June 2023

The Department of Education has provided funding to primary schools to implement a book scheme that will provide free school books for all children from September 2023. The school will provide all textbooks, workbooks and copy books to children at no charge from the beginning of the coming school year. All school books will remain the property of the school so that books can be reused in future years. School Books will be provided on loan to children for the duration of the year and must be returned to the school at the end of the school year. Parents are requested to remind their children to take care of their books and keep them in good condition during the year. While the school will provide some stationary parents/ guardians will be asked to purchase other items, I have attached a list of the items required for your child's class. The school will be in contact with you next year with regard to the returning of deposits paid for participation in the School Book Rental Scheme which was previously in place .

Thank you.
